Good News: We have extended our hours in the Puyallup and Gig Harbor Office.

Bad News: We only have 3 doctors so when one doctor is gone one office is going to be closed. Office Closures will be announced by Fliers at Shot Counter and a poster by the doors. Please check every month for office closures

We all have to work together in keeping up with office closures.

Please review your shots needs during this time. Please remember that if you miss 20 days of shots the shot dosages get repeated.

Please do not hesitate to discuss with the nurses or Elisa the Office Manager any concerns. Her Phone # is 253-589-1380 Ext. #2.
