### **Need the help of everyone during office closures.**

Please check that your medication needs, allergy shots, and doctors' appointments are covered during this time. Allergy shot patients please remember that if you miss 21 days of shots, the shot dosages will get repeated. If you miss 22 or more days we start cutting back your dosages. The more days you miss the more your dosages will get cut back. Please do not hesitate to discuss with any of the nurses, or with Elisa the Office Manager any concerns that you might have. Her Phone # is 253-589-1380 Ext. #2. Thank you for all your help. We are working on serving you and making your allergy shots as convenient as possible. — Elisa
